		CINAL /II bo	own) BHYSICA	LABBEARANCE			

The house is a two story, frame structure built in several sections. The gabled facade main block is three bays with 2/4 double hung sash windows and a transom and side lit door. There is a pair of windows in the attic. A one story porch with bracketed posts extends across the front. There is a two bay integral el to the north with a bay window on the ground floor. A lower, two story kitchen wing extends northward from the end of the el. The south end is four bays and has a tall, narrow central gable.

The eaves are all bracketed, with the brackets supported by a fascia that serves as a frieze. The window heads are pedimented. The siding is tongue-and-groove.
